

PHIL 160 - Ethics & Technology

Fall 2026 | Philosophy

Professor: Dr. Morgan (morgan@university.edu)

Office hours: Thursday 11:00 AM-12:00 PM

Late policy: One 48-hour grace window per term; after that, 5% per day.

A writing-heavy seminar on ethics, computing, and responsibility.

Papers must use course readings. The midterm paper is usually the most flexible item in a 48-hour pileup, not an exam.

Course calendar

Sep 12, 2026 - Response paper 1 due 5:00 PM (10%)

Sep 26, 2026 - Reading: Chapters 4-5

Oct 20, 2026 - Midterm paper due 5:00 PM (25%)

Nov 14, 2026 - Presentation (15%)

Dec 8, 2026 - Final paper due 5:00 PM (30%)

Seminar discussion is not given a dated weight here. Use the one grace window in writing. Do not invent extra paper due dates.
